Old Business:

- 1. Approval of Minutes:** The minutes from the August 6, 2008 meeting of the LR&DBPA were reviewed. One addition to the minutes was to include KMS Inc in the list of companies that have decided not to renew their directory signage. With this addition, the minutes were approved.
- 2. Signage:** DACAL is interested in being added to the directory signage. Von will coordinate with the Association, DACAL and Sign Media on this effort.
- 3. Business Contact List:** The Association is continuing the effort to update the list of businesses in the park and the relevant contacts for the owner and tenant businesses. Brian Wachter will be generating an updated contact database with feedback from Von and others.
- 4. VECTEC:** Work is underway on the new LR&DBPA web site. The fundamental visual design of the site is complete and the site sections are now being populated with content. Today's meeting focused on finalizing the site sections, deciding what content should go into each of the sections, and gathering the content. The pre-production site is accessible at the following URL: <http://npiland.seva.net/langley/businesses/>
