3. **Web Site:** Members Directory section needs to be populated with company data for paying members.

New Business:

1. **Bi-Monthly Meetings:** It was proposed and agreed upon that the business park meetings be held on a bi-monthly basis since often there are typically very few business matters that need to be addressed.
2. **Spectrum Park Update:** It was requested that the City of Hampton provide an update on the Spectrum Park development at a future meeting.
3. **Power Outages:** The topic of unannounced power outages was raised by Brian Wachter of Bihrlle Applied Research Inc to see if other companies have been affected by recent outages and whether other companies are receiving prior notice.
