Old Business:

1. **Minutes:** The minutes of the September meeting were reviewed and accepted.
2. **Membership:** Many companies have still not submitted their 2009 membership dues. While membership is voluntary, membership is required in order to have a listing on the directory signage. Consequently, it was agreed that a letter/invoice will be composed and sent out to notify those companies who have not yet paid and who have listings on the directory signage. The letter will state that those companies that do not pay their dues will have their directory signage removed.
3. **Web Site:** The Members Directory section of the web site has been updated with company data for those members who have paid their annual membership dues.

New Business:

1. **Bi-Monthly Meetings:** It was proposed and agreed upon in the Sept 2009 meeting that the business park meetings be held on a bi-monthly basis. It was proposed in the November meeting that specific dates for 2010 be set and announced to the business park companies for planning purposes. The dates for 2010 are as follows: 1/13, 3/10, 5/12, 7/14, 9/8, 11/10.
2. **Spectrum Park Update:** Spectrum Park development is still on hold. No details are available at this time.
