#### Old Business:

1. **Minutes:** The minutes of the July 20, 2010 meeting were reviewed and accepted with one minor addition – to add the City of Hampton “311” number in the minutes to report issues such as drainage, pot holes, etc.
2. **Membership:** The Board reviewed a list of LR&DP businesses that Brian Wachter had on file since some information was known to be out-dated. Mike Yaskowsky will send Brian a business list that the City can generate from their database. An updated database will be compiled based on the latest available information.
3. **Sign Lighting:** Sign Media has replaced the photocell in the sign. A business park representative should confirm for next meeting that the sign lighting is working.
4. **Federal and State Filings.** Mike Yaskowsky reported that the City attorney’s office has not been involved in the federal filings and in fact cannot do filings on behalf of organizations.

#### New Business:

1. **Presentation:** Seth Blanton from Wachovia provided a presentation at the meeting to describe the “Wachovia at Work” program for employees and to present the Wachovia services that are available to commercial businesses. His email address is [seth.blanton@wachovia.com](mailto:seth.blanton@wachovia.com) should anyone be interested in learning more.
2. **Web Site:** Brian reported that while we do not have a hit counter on the web site, we should be able to process the server log to assess the activity for the LR&DPBA web site.
