DRAFT Minutes of January 14, 2015 Langley Research & Development Park Business Association Regular Meeting

Submitted by Carol Kleemeier

Old Business:	
There was no old	business to discuss

New Business:

There not enough board members present to conduct officer elections.

Sudhir questioned Mike "yaz" about a Comprehensive Plan and Mike said that the City is not working on one. What is happening is that the three Owner's Associations from the Hampton Roads Centers have reached out to the City about improvements / upgrades to the Magruder Blvd. corridor. A "marketing" committee will be looking at how to enhance and promote the Magruder Blvd. corridor.

Next meeting: The next meeting is tentatively scheduled to be held on April 15 at 11:30 am at Vigyan.

There being no other business for the meeting, the meeting was adjourned.
